**“When we learn to trust the Universe, we shall be happy, prosperous, and well.” Ernest Holmes**

***There is one infinite Spirit.***

**With expanded awareness my mind is open to know the truth.**

**I am one with God, the essence of all there is.**

**Everything that exists is the expression of God. I trust this truth. This is revealed by the unfolding of my awareness. Prosperity and goodness are mine to be had. I listen to the wisdom within, there is no lack or limitation. *I manifest Love and prosperity in all of my activities.***

**With gratitude, Joy, and Love I acknowledge the blessings of my life.**

**I release my words into Law with faith and trust.**

***I know it is already so!! And So It Is!***
