Is it possible in our ignorance of the Truth, that we have misused the highest power we possess?

The Basis for Mental Healing

Dr. Holmes, in his book, *The Science of Mind*, says, “The possibility of healing physical disease, changing environment, attracting friends and demonstrating supply through the power of right thinking, rests entirely on the theory that we are surrounded by an Infinite Mind, which reacts to our thought according to Law.”

Dr. Jim, from his book, *The Way I am*, says, “The trained mind must have authority to think independent of how it instinctually reacts. The Way of Jesus helps you develop your authority and explains its nature. How you use it to manifest the life you want to live depends upon how you exercise the authority of your word. The Way of Jesus returns people to the power of choice—a choice stolen by fear and limited by doubt. This turns the table on toxic traditions because when people abandon convention for creation, they re-member and re-join their spiritual origin.”

Dr. Holmes says, “WE DO NOT CREATE. WE USE THE POWER OF THE ONE MIND, WHICH CREATES FOR US! Our beliefs and our deep-seated convictions inevitably out-picture and reflect themselves in our experience and environment, both in the physical condition of the body, and in the larger world of our affairs. What we outwardly are, and what we are to become, depends upon what we are thinking, for this is the way we are using Creative Power.”

Dr. Jim says, “Jesus observed humanity. He knew worry created the illusion that your life would never be enough, a kind of worry that stimulates huge amounts of uncertainty. Jesus knew worry begs the question: How can I not worry? Just look at my life. **Everything I worry about seems to come true.**” (hint)

Affirmative Prayer

Recognition: The presence of the Divine occupies all of creation: One God, One Life, One Power!

Unification: In this moment God's power finds me receptive, peaceful and unified.

Declaration: Right now, my life is my choice. If I feel compelled by anything that would separate me from my blessings I dismiss that way of thinking and remind myself that God Is My Source. Only understanding and love comes forth in the way I think, feel and imagine my future to be. I am fulfilled with Love, Joy, Peace and Understanding.

Gratitude: Thank you, God, for all of my blessings and demonstrations.

Release:

Don't worry about a thing, 'Cause every little thing gonna be all right. Singin': "Don't worry about a thing,

'Cause every little thing gonna be all right!"

Rise up this mornin', Smiled with the risin' sun,
Three little birds, Pitch by my doorstep
Singin' sweet songs, Of melodies pure and true,
Sayin', This is my message to you-ou-ou:
