**Forgiveness First, then Re-invent Your Life,
Your Career, and Apply Your Talent**

The teachings of Jesus plainly instruct that the Law of Karma (Cause and Effect) can be changed at any moment through a knowledge of; and the application of, the principle of the Science of Mind.

Jesus Forgives a Man and Heals Him (Matt. 9:5, 6)

Dr. Ernest Holmes says, “Now some of the scribes who heard Jesus tell the sick man that his sins were forgiven said, he blasphemed God in attempting to forgive sins. But Jesus—reading their thoughts and knowing what was in their minds—asked them if it were easier to forgive or to heal. “For whether is easier to say, Thy sins be forgiven thee; or to say, Arise and walk?” In order to prove his position, he healed the man, saying: “Arise, take up thy bed, and go unto thine house.”

This incident has to do with a great psychological law. If one labors under a great burden of past mistakes, that person devitalizes their body and if the condemnation is great enough—it might render the body incapable of moving. Jesus, seeing that the sick man was laboring under a load of condemnation, told him that his sins were forgiven. This removed the weight from the man’s consciousness, making it possible for him to receive the healing word.

God Knows No Evil

Why should it disturb anyone to be told that God knows nothing of his sin, nothing of his want, nothing of his lack of any kind? The tragedy would be if God did know. If God knew sin, He would be a sinner, for what the Infinite Mind knows must BE! Sin or mistakes are outside the province of Reality. Jesus knew this.

Forgive us our offenses, even as we also have forgiven our offender

Dr. Jim, in his book, *The Way I am*, says, “We only get what we believe and feel at the deepest core of our being. Forgiveness begins with yourself. Live in the history of your guilt or shame and your biography stops turning the pages of your life. The script stops evolving and you get stuck in a chapter of pain and remorse that repeats like a broken record until you forgive yourself.

Free yourself from your offenses. Surrender yourself to a power capable of absorbing those offenses into the timelessness of Spirit’s Infinite Presence. Sit still and declare God’s Presence as your presence now. Declare your life forgiven and that you are free to move into a greater expression of love. Let peace be your guide and joy your companion. Let these self-defining principles identify your new life and write your new biography. If you have felt offended, release any and all energy you have about being slighted. There is no other power or time more important than this moment. Live in the moment, not for it.

Please do not read this prayer, Dr. Jim will read it aloud

Read this prayer, **written by Dr. Jim Turrell** twice a day.

The Presence of Divine Intelligence is the substance of all life. This Universal Substance is pure Love and constitutes the nature of all life, all form, and all that takes form.

My Life is Divine Substance forever taking form, fulfilling my creation and expanding the experience of my Divine's eternity.

In this moment, which is the only Reality I live in and experience, the nature of my portion of the Divine takes form as my belief animated by my faith. There is no power in the past or the future. The power is always in the NOW, and I live and have my being in the Infinite Nature of God's Love. Thank you, O'Divine Love, for you are the source and supply of all my blessings. Everything I possess works its way through me, as me and for me. Released and demonstrated, my life is the infinite creations of God's Love. AND SO IT IS!
