**Here is our prayer for the week. I invite you to contemplate it daily:**

**I CREATE MY LIFE**

**The Spiritual Kingdom is within us and as we realize it there, so it becomes to us a reality.**

**-Thomas Troward, The Edinburgh**

**Lectures**

I live, move and have my being in the Infinite. Spirit contains all possibility; therefore, because God and I are One, I am blessed with all possibility; and that God, the author and designer of all things, of all knowledge and all creation, has designed me.

In this moment, as I recognize the Truth that I am the creator of my experience, I know I am connected, supported, maintained and sustained by Spirit in all I think and do. Because I have the power of choice, I choose to envision the "Highest and Best" reality for myself. Peace directs my path, and I am filled with a sense of being nurtured by God's Love and Guidance. I free my reality by shedding old beliefs and attitudes and recognizing the blessings that surround me and are the reality of my life. Every day in every way, my life is evolving to a higher level of conscious communion with Spirit and the Truth of who I am.

I give thanks for all that is and for what has yet to be. In gratitude, I release my word to Law and realize my life is Perfect, Whole and Complete according to my belief.

**AND SO IT IS!**
