Here is our prayer for the week. I invite you to contemplate it daily:

Abundance is not something we acquire. It is something we tune into.

-Wayne Dyer

Today we recognize that the Source of all, is the Oneness that I know as God. This presence is the Cause of all Beauty, Life, and Love. Let us know together that there is only One.

I am and we are one with this Source. We are a part of the Love that is God. We are one with the Divine and with all the magnificence in this Universe. We are inseparable from the One Mind.

Today, I know of and for each person that we are infinitely prosperous. We experience God's prosperity in all areas of our lives. We receive all the wonderful and abundant gifts of God right here and right now. We experience God's greatest Love, vibrant Health and financial prosperity. Our abundance is made manifest through the infinite nature of God which is reciprocal. We give and receive freely and openly because we are a part of this reciprocal nature. We know that as we give, so shall we receive. Right here and right now we experience God's goodness in all areas of our lives. We are cared for by God and care for each other.

Thank you, God, for the creative nature of Law. Thank you for our community and all the wonderful people in our center. Thank you to everyone in our community for sharing your gifts and talents with this center so we may share this philosophy throughout the world.

I release this prayer fully knowing that as the words are expressed, they are already fully realized in God... AND SO IT IS
