Here is our prayer for the week. I invite you to contemplate it daily:

“It is of practical value to learn to like yourself. Since you must spend so much time with yourself, you might as well get some satisfaction out of the relationship.” Norman Vincent Peale.

There is One Life, God’s Life. perfect, whole, and complete.

I am part of this One Life. As God moves through me, as m, I am important. I am of value. I know God loves and values all of us. I know I am Lovingly supported, abundantly supplied, and divinely guided at all times. The gift is already mine. All I require is already given. I chose to recognize and accept this truth consciously. I let it be my way every day. I am opened to increased opportunities to serve in Joy and receive abundantly, financially and in all other ways. My value is recognized by others because I first recognize and accept it for myself. With nothing to oppose it and everything to support it, Love activates my word of Truth.

I give thanks that by valuing myself my spiritual growth continues every day in every way.

As I release my word to Law, I know all is well.
