**Here is our prayer for the week. I invite you to contemplate it daily:**

**“If you think you're too small to have an impact, try going to bed with a mosquito.” Anita Roddick**

God is all there is.

I am one with the God. God expresses through me.

As God's individualized expression, I know that Spirit always provides for my highest and greatest good in perfect harmony with my own uniqueness. For me fulfilment is when I have a feeling that I am making a positive difference.

Before, I often used to wonder if I am good enough, do I have value to give, or am I too small to have an impact?

Now I know I do have value to give, even if it looks small sometimes. I give, and I am open to receive. Now, I see challenges as a potential gateway into the new, the learning, the discovery, and the new adventure. I am a channel for joy, love, peace, and all possibilities. I am grateful that I live as, in, from, and with Love that is the Truth of my being. I am humbled and grateful for all the magnificence of Blessings I live in.

I release my word to Law. And so it is!
